

# Now & Forever

Supporting Families with Children Suffering from Cancer.

## Benefactor Levels

### Be a Part of the Team

The Now and Forever Endowment Campaign will allow the Tom Coughlin Jay Fund Foundation to continue supporting families with children suffering from cancer in the Jacksonville area.

### What is an Endowment

An endowment is a fund made up of individual or organization gifts that are kept permanently and invested to generate income for the continued support of the organization's mission. To achieve this level of security for the Jay Fund, we have made it our goal to establish a \$5 million endowment.

Benefactors giving at these levels will receive prominent permanent recognition at Wolfson Children's Hospital.

*"Your daughter has cancer. Those are the four words that changed our lives forever. What happens next, where do we go, what do we do? The Jay Fund was there from that day forward. They jumped right in and started helping immediately. The Jay Fund understood that jobs, bills and day-to-day life stopped while we were working hard to keep our daughter alive."*

Pete, Savannah's dad

*"The Jay Fund provided financial support that allowed us to maintain our home, buy food, pay for gas and purchase the cord blood unit that Lyla desperately needed to fight one more day. The support provided by the Jay Fund to the families of children with cancer in the Jacksonville community is unmatched by anyone we have ever known."*
