"There is nothing more devastating to a family than the news of a child being diagnosed with cancer. The Jay Fund mission is to provide financial support to families in need that have a child with cancer. I am proud to be a part of this mission."

Gary Chartrand, Chairman-CEO
Acosta Sales and Marketing Company

"As long as there is a Jay Fund, I plan on helping any way I can. I encourage others to get involved as much as possible. Compared to what these families go through, helping out is the least we can do."

Dan Hicken
Sports Director, First Coast News

"The Jay Fund is all about helping people. Tom Coughlin has as much passion for the Jay Fund as he does for coaching winning football. I saw first hand what Jay's death meant to Tom Coughlin and now it's his passion, his calling."
