

# *Now & Forever* Family Testimonials

The Jay Fund has helped nearly one thousand families. Here is what a few of them had to say about their experience:

*"We are just one of the many families that have been helped by the Jay Fund. The help they provided us allowed us to focus on being a family. We could be in the hospital with her 24 hours a day and not worry about losing our home. Knowing we had assistance made so many other decisions easier."*

Pete, Savannah's dad

*"If it were not for the Jay Fund, there are times that our family would not have had a meal to eat or even electricity, water, phone, or gas for our car to take Danielle to the doctor."*

Melinda, Danielle's mom

*"Our daughter Whitney has had to battle cancer two times already in her 13 years. Both times my wife had to take time off work to take her to the many hospital visits. It is a relief to know there is a foundation like this to financially help out families with critically ill children."*

Tracy, Whitney's dad

*"Thanks to the support provided by the Jay Fund, we were able to spend precious time with Lyla that would not have been possible without their help. It was time that we would have never had and time that we will never get back, and we will be forever grateful for the Jay Fund's help."*

Ryan & Sarah, Lyla's parents

*"The Jay Fund made a little boy very happy with parties and tickets to see the Jaguars play. Just to see my son's face... WOW!"*

Patty & Mike, Michael's parents

*"It's so good to know that the Jay Fund is there because it took a lot off my mind so I could focus on what was important — Courtney. The Jay Fund is there when you need them, no questions asked. I am forever grateful."*

Janice, Courtney's mom

*"The assistance I received from the foundation has made the load I am bearing seem a bit lighter. It is a great relief to know that when I am unable to meet certain financial obligations due to my son's extensive hospital stays and my missing work to care for him, I can contact the foundation and they will be there to assist in every way possible."*

Michelle, Marlon's mom

*"It took less than a week and a check was sent on our behalf and we are very grateful. We were not in a position to deal with our expenses."*

Pat & Rick, Evan's parents
